

## SEARCHING FOR SUGAR MAN

Rodriguez, Clarence Avant, Stephen Segerman

Two South African music fans embark on a quest to discover the personal history of 1970s rocker Rodriguez – who tragically committed self-immolation on stage after his first two albums flopped – in Malik Bendjelloul's fascinating documentary. Archive footage jams with revealing interviews and personal reminiscence, piecing together the man behind the enigma, until Bendjelloul propels the narrative in a poignant new direction.
