exceeds their musicality.

Fact and Coming From Reality, that failed to spark the interest of the American record-buying public.

With his star in rapid descent, Rodriguez continued to gig and became a footnote in music legend when he tragically committed self-immolation on stage, unaware that his records would garner a fervent fan base on the other side of the world, speaking volumes to the people of Australia, New Zealand and South Africa who were contending with segregation, discrimination and economic hardship.

terrific documentary follows two music fans as they rake through the ashes of their idol's past in search of the man behind the façade. Archive footage is:
