

Unearthing of cold facts

SEARCHING FOR SUGAR MAN

12A, 86mins. Opens Friday

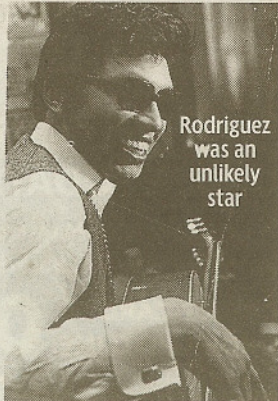

THE STAR

Sixto Rodriguez

THE VERDICT

A wonderful documentary that tracks the amazing story of Mexican-American singer Rodriguez, who never quite made it in the US (despite acclaimed first album *Cold Fact*) but became an unlikely star in South Africa.

Director Malik Bendjelloul provides a fascinating glimpse into the life of a remarkable man, blending interviews and animation with Rodriguez playing, as a fan discovers what happened to his hero, after (false) rumours circulated that he was dead.
