Rodriguez: watch
him and weep

SEARCHING FOR SUGAR MAN (12A)

Stars: Rodriguez
(yup, it's all
about one
amazing man.)

If you only
ever see one
documentary

this year, make sure it's this
one. Mexican/American singer

Rodriguez was a major star in
1970, but soon disappeared, only
to discover (40 years later!)
that bootleg tapes had made
him a huge star in South Africa.
If the tale of his second chance
(and his first concert in Cape
Town) doesn't make you blub,
you have no heart.

Verdict: Inspiring. ★★★★★
